

Chapter 8

Intergovernmental Coordination Element

Goals, Objectives, and Policies

Summary of Changes

This element was updated to ensure consistency with State requirements and other local jurisdictions. The scope of some policies was expanded and language pertaining to historic preservation was added.

- Created an introduction to provide an overview of the chapter.
- Created a conflict resolution process consistent with the process of local municipalities as required by State statute (Policy i1.3.3 -- i1.3.5)
- Updated existing policies to expand scope and incorporate additional coordination areas. (Policy i1.5.1 -- i1.5.4).
- Added language to promote historic preservation (Policy i2.1.5)
- Updated language to reflect mechanisms that have been adopted (Objective i3.1)
