## Adding Delegates to Your Account

Delegates in the system can be created by sending delegate requests to one or more users, where the specified usernames must be valid citizen users.

1. Click on **“My Account”**.

2. Click **“Add a Delegate”**.

3. Select individual or Organization and fill out the related information and click **“Continue”** when finished.

### Add a Delegate

Enter the name and e-mail address of the person to whom you would like to grant delegate access to your account.

**\*Name**  **\*E-mail Address**

#### Set Delegate Permission

Delegates can view records across all categories unless you choose to restrict categories.

**View Records in all categories** (Change)

For the following permissions, the available categories are limited to the ones that you have granted the delegate access to view records.

- Create Applications in all categories (Change)
- Renew Records in all categories (Change)
- Amend Records in all categories (Change)
- Manage Inspections in all categories (Change)
- Manage Documents in all categories (Change)
- Make Payments in all categories (Change)

#### Add Personal Note

I'm not a robot 

**Invite a Delegate** **Cancel**

Enter another user's account information that you wish to give permissions to.

Set the permissions you wish to give the user.

### Trust Account Information
