In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the City hereby publishes the following information:

---

<sup>1</sup> See Section 166.041(4)(c), Florida Statutes.

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

**The current Chapters 9 & 25 of the City's Codes are obsolete. Chapter 10 of the City's Codes requires significant updates. The proposed ordinance repeals obsolete codes and updates the code to be consistent with current state and federal regulations and best practices.**

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City, if any:

(a) An estimate of direct compliance costs that businesses may reasonably incur:

**There is no direct economic impact to existing businesses. All businesses applying for a building permit will need to comply with the Nation Electrical Code and the updated code standards.**

(b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible:

**None.**

(c) An estimate of the City's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

**The City does not anticipate any regulatory costs associated with this ordinance.**

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

**The estimated number of businesses that may be impacted by the proposed ordinance is unknown, however all businesses applying for a building permit will need to comply with the Florida Building Code and the updated code standards.**

4. Additional information the governing body deems useful (if any):

**N/A**
