

CITY OF DELAND

HISTORIC DISTRICT & SUPPORT DISTRICT Commercial Building Color Guide

Within the City of DeLand it is required to get approval before painting the exterior of a commercial building.

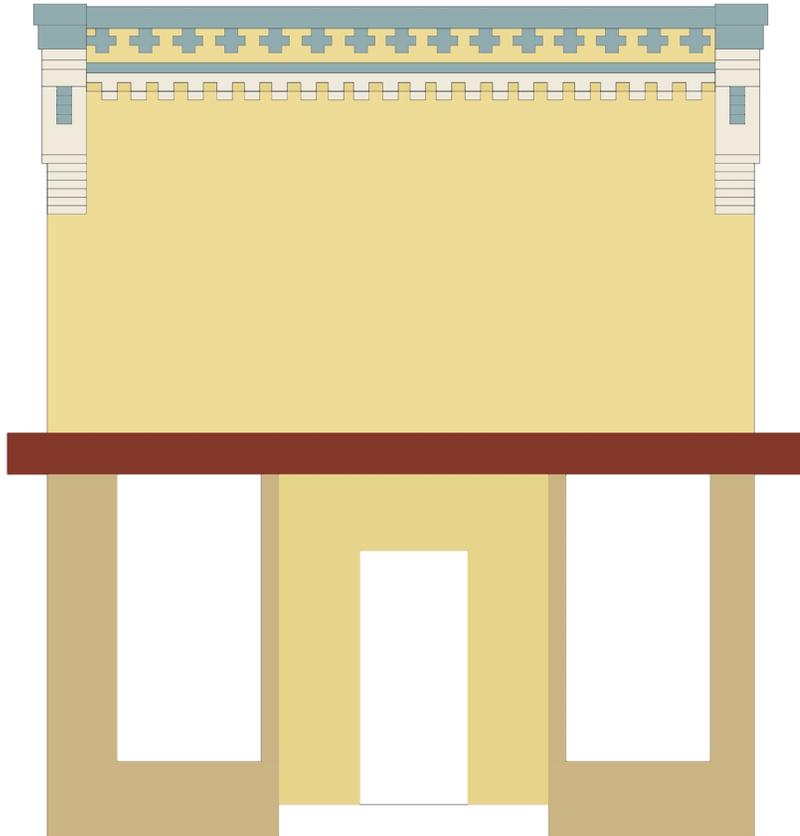

When contemplating painting your building, if it is located in the Historic District or Support District keep in mind, there is a color chart.

This color guild and the color chart is available to view at City Hall, 120 S Florida Ave. 1st Floor in the Planning & Building Dept. and online at Deland.org/resources/historic-approved-colors

The chart uses Sherwin Williams swatches. The following is a digital rendering that includes colors from the color chart, however it is best to come see the color in person because different computer monitors and tablets depict color differently.

YOU MUST GET APPROVAL FROM THE CITY BEFORE PAINTING.
